Appomattox Seventh-day Adventist Church
Elder Harley Bresee, of Madison Heights, Lynchburg, was the 11 o'clock guest speaker Saturday, Sept. 26. Subject for compilation — "The Transfiguration". Scripture: Matt. 17:1-5. "And after six days Jesus taketh Peter, James and John, his brother and bringeth them up into a high mountain apart, and was transfigured before them and his face did shine as the sun, and his raiment was white as the light and behold there appeared unto them Moses and Elias talking with him. Then answered Peter and said unto Jesus, Lord it is good for us to be here; if thou wilt let us make three tabernacles, one for thee, and one for Moses and one for Elias. While yet he spake, behold a bright cloud overshadowed them, and behold a voice out of the cloud which said, this is my beloved Son in whom I am well pleased, hear ye him."

Local Man Active In Viet Nam

An Appomattox man is one of four Americans trying to persuade mountain tribesmen in Viet Nam to end their revolt against the South Vietnamese regime of Nguyen Khanh.

An Associated Pres s tory says Spec. 5 George W. Bennett of Appomattox, drove with Maj. Edwin E. Brooks, of Grand ap-R ids, Mich., and two other U. S. Army Special Forces enlisted men 10 miles over a jungle trail to Buon Mo Prong recently to talk the tribesmen there into rejoining their country's fight against the Communist Viet Cong.

JV's Win 27-0 At Rustburg

RUSTBURG — Jimmy Beamer starred as the Appomattox junior varsity whipped the Rustburg jayvees, 27-0, here Thursday afternoon to stay unbeaten and unscored upon.

Beamer scored 15 points on touchdown runs of two and five yards plus three extra points. Johnny Giles also scored on a 6 oneyard bootleg play while Monte Mays ran 60 yards for another Appomattox TD.

Rebel Coach Buddy Carson praised the work of his entire line and singled out Harry Williams, Mike George, Mike Seay, Butch Harris and "Dink" Lucado for their defensive play.

Devil Coach Marin Poley thought end Ronnie Dawson looked good on defense.

New Name Needed For County Area

Readers are asked to submit suggestions for a name to be given to the community of homes just outside Appomattox being developed from Coleman's property. Committee members, Mrs. Rachel Lawson, John Curtis Caldwell, and Dr. J. A. Mathews, will be glad to hear of suggestions. The area is fast developing, and it is felt that residents there will enjoy having a special designation for their area located on the Red House road.

WHY MOST APPOMATTOX CITIZENS WILL VOTE FOR . . .

GOLDWATER — BYRD — ABBITT

ON NOVEMBER 3

BECAUSE

...must show by our votes in 1964 that we de...esty and integrity in government. This is ...t duty of every citizen and should come ...party, politics, personalities and all other

...three public officials in modern times have ...greater reputations for honesty and integrity ...dwater, Byrd and Abbitt.

BECAUSE

...st vote out of the present National Govern...

...who use public office to gain private wealth, ...who condone graft and corruption by political ...es,

...who seek to block investigations of suspected ...doing in high places ,

...political manipulators who put "wheeling ...dealing" and winning elections above all ...r considerations.

BECAUSE

...the first time in our history, we have a ...who has accumulated a family fortune of ...dollars (largely in a government regulated TV ...) while serving as Congressman, Senator and ...dent and even as President. This acknow...has cast a deep shadow over the White ...regardless of whether official influence was ...nd improperly used.

BECAUSE

...Billie Sol Estes and Bobby Baker scandals, ...properly investigated, represent a new low in ...morality. While the President now denies that ...was his protegee and close advisor, we remem...her statements from the past:
"...(Bobby Baker) is a man who truly serves his ...and I consider him one of my trusted, most ...most competent friends." Lyndon B. John...te floor speech, August 30, 1957.
"...ker is my strong right arm, the last man I see ...the first one I see in the morning." Lyndon ...on, Rocky Bottom, S. C., during 1960 Vice-...campaign.

BECAUSE

...Johnson callously seeks to label Goldwater as a ...monger," when the truth is that America has had ...under every Democratic president since 1900—...ears started under Republican presidents in ...century.

BECAUSE

The distastrous foreign policy of this Administration has resulted in:
America's humiliating defeat at the Bay of Pigs.
The establishment in Cuba of the First Russian satellite government in the Western hemisphere.
The "missile crisis" of October 1962.
The "sell-out" in Laos.
The endless crisis in South Viet Nam, where the battle with Communism is being lost — while American prestige sinks lower.
The fiasco in the Congo.
Anti-American riots in Panama.
The deterioration of the NATO alliance, formerly our greatest bulwark against the Communist enemy.
Kennedy's slogan four years ago was "restore America's lost prestige." Now, after four years of Kennedy and Johnson, America's prestige and influence are at all time low throughout the world.

BECAUSE

We must have a President who understands the nature of the Communist threat to our very existence as a free country and who can strongly and firmly assert America's position in these times of crises.

BECAUSE

Riots, lawlessness and a crime rate increasing 5 times faster than the population growth are the results of the cynical manipulation of minority groups for political purposes. These are the inevitable results of encouraging individuals or groups to take mob action against what they (not the courts) decide are "unjust laws." This widespread disrespect for law and order by misguided liberals is symbolized by Adlai Stevenson's recent statement that "a jail sentence is no longer dishonar, but a proud achievement."

BECAUSE

Your vote for Goldwater as the Republican nominee for President, does not affect your right to vote for Senator Byrd and Congressman Abbitt in this and future elections. This is a right safeguarded for you by Virginia law, as officially interpreted by Attorney Generals of Virginia for 30 years. (See Att'y. Gen's. Reports for 1928-9, 1938-9, 1952-3, 960-1 and 1962-3).

BECAUSE

Johnson completed his sell-out to the leftwing politicians and big city bosses by choosing as his running mate Hubert Horatio Humphrey of Minnesota, long known as a leading leftwing spokesman. Here is just a part of Humphrey's record of radicalism:
Led fights to humiliate Virginia and the other Southern States at the 1948 and 1952 National Democratic Conventions.
Denounced Senator Byrd in Senate speech after being elecied to the body in 1949.
Sponsored compulsory FEPC Bill and other liberal measures.
Was a founder, chairman and vice-chairman of the socialistic "Americans for Democratic Action."
Managed and led the Senate fight to shut off debate and ram through the Johnson Civil Rights Bill in 1964.
REMEMBER that this leftist candidate is the same man Johnson declared to be "best prepared" to serve as Vice-President, and possibly President, of the United States.

BECAUSE

We have this year an opportunity to make a choice between conflicting principles of government. A vote for Goldwater, Byrd and Abbitt is the best way to make a choice:
To restore honesty, integrity and decency to high places in government.
To protect and preserve Constitutional Government and the free enterprise system.
To promote respect for law and order.
To reverse the alarming trend toward complete centralization of power in Washington.
To return to sound and responsible fiscal policies.
To regain leadership of the Free World and confront the Communists with firmness and strength.

BECAUSE

The 1964 Democratic Platform expressly and specifically pledges to abolish by Federal fiat the right-to-work laws of Virginia and 19 other states, and thereby force thousands of workers into the compulsory union shop and enforced payment of union dues.
